

VARQ BY  
INDIAN  
DELIGHT

Celebrating  
Sweetness  
of Life !

'Varq by Indian Delight' is serving taste buds of sweets lovers since more than 25 years. Our business is the brainchild of our dear grandfather who had the great taste and the passion of Indian sweets, which is traditionally called Mithai. He made this passion into his profession and started catering first to the wholesale market. Our third generation has carried this family tradition and expanded this venture with hard work and dedication, which has now become one of the trusted and finest sweets makers in India.

Our sweets are made with the traditional art of perfect recipe blended with carefully selected premium dry fruits, saffron and other handpicked chosen ingredients. Processed in superior quality natural and pure ghee. Our products are made without any artificial colours, flavours, sugar or gluten, so you can indulge your taste sense without adding extra weight or worry. Because we care not only for your taste but your health too.

We make, not just regular variety of sweets like Kaju-katli and Dry fruit Chikki, but also offer our a classic range of sweets like Anjeer gulkand dry fruit, Dates honey Kesar dry fruit, Apricot dry fruit, Cranberry dry fruit, Kaju rotla and many other delicacies of exotic combination in various packaging. We also offer exclusive Hampers and customised combination packs. Apart from Sweets, we also deal in premium quality of Saffron and Dry fruits.

With our consistent quality and service of many years, we have earned lasting trust and relations with our clients which includes renowned diamond manufacturing firms as well as corporate companies, nationalised banks and many other industries and business houses. With growing demand and appreciation we have now started retail kiosk in many companies campus, exhibition areas & malls. In the near future we are looking forward to entering into retail market as well.

Our aim, our policy and our slogan is:
